**RESPONSE TO OFFICE ACTION MAILED FEBRUARY 26, 2003**

This response is submitted in response to the Official Action mailed February 26, 2003, which was issued in response to the amendment filed on December 12, 2001. The amendment was deemed non-responsive. The original period for response to the present Office Action is one month or thirty days, whichever is longer from the mailing date. Accordingly, a response is due **March 26, 2003**. As this response is being timely filed, no additional fees are due. Applicant respectfully requests reconsideration and allowance of the pending claims in view of the amendments made in response to a telephone interview with Examiner Romeo on March 20, 2003, and Remarks presented in Applicant's response filed on December 12, 2001 below.

**AMENDMENTS**

Please amend the application as follows:

**IN THE CLAIMS:**

10. (Three Times Amended) A method of treatment of a mammalian body comprising administering a cC1qR binding domain.

C1  
11. (Amended) The method of treatment of Claim 10 wherein administering the cC1qR binding domain includes administering a complement ubiquitin (CUB) domain.
